While partnering with our IT team to develop reporting capabilities, I discovered my interest in gaining a better understanding of the systems we use. I have become passionate about the field of computer programming and its infinite possibilities. I intend to continue advancing my knowledge and skills in hopes of launching a new career in this field.

TECHNICAL SKILLS

Languages: Java, Python, HTML, and CSS.

Technology/Frameworks: Spring Boot, Thymeleaf, Flask, Jinja, MAMP

TECHNICAL EXPERIENCE

Projects
